## SUMMER MYSTERY TOURS

Mystery Tours are very popular with the Spirit Club. On Tuesday, July 12 & Wednesday, July 13, two different groups traveled to the city, Luverne MN. Even though many of us had been in Luverne before, we learned a lot of special things about their community. Early in the morning we toured Blue Mound State Park hoping to see the bison herds, one day they were in range for us to see and the other day they were grazing the back of the prairie. The backdrop of the park is beautiful, and our guide explained the rock formations and other facts about the park.

Our next stop was the History Center which includes many historical items from Rock County and the largest collection of Nutcrackers in the Midwest. We were fortunate to have Betty Mann give us the tour of the Nutcrackers, she has donated the largest portion of the over 4500 nutcrackers in the collection. Luverne is developing their tourism destination around the Nutcracker theme, including stunningly painted Nutcracker statues around the city.

The historical Palace Theatre was next on the itinerary. Shawn, the Executive Director of the theatre explained the history and encouraged us to come for a movie or a live performance. Then we were off to the Hinkly home which was built in 1892 by R.B. Hinkly. The beautiful Sioux Quartzite faced, 12 room house is an attribute to his foresight and artistic skills.

We are all aware that Minnesota has over 10,000 lakes, well Rock County doesn't have any. So, a very ingenious community created The Lake, previously known as the Creamery Pond. It has a beach, great fishing, a campground and cute tiny houses to rent. It was a fun day which also included shopping downtown, a delicious lunch at Sterlings and a yummy piece of pie at the 75 Diner.

## *"The Spirit of Us"*

Summer is coming to a close but there are still many days to enjoy what summer has to offer. Take a ride to the lake where you can enjoy a picnic or just sit back and read a good book. Or go for a delicious ice cream treat with a friend and catch up with each other. If it's a hot day and you need a place to cool down, there are some good movies showing. No matter how you spend your last few days of summer have fun!

Congratulations to the 4-H members on their accomplishments at our local fairs! The young people learn a lot of responsibility while working on their projects and showing their animals. Many will be attending the State Fairs this month and we wish them a lot of success at the next phase.

The American Spirit Club Picnic will be held on Thursday, September 15th at the Avalon Ballroom in Remsen at 5:30 pm. Reservations are required. Please call the American Bank in Remsen or Le Mars by September 8 to save your place. More information is available on the second page of this publication.

We are so excited to announce three new adventures for next year, Southern Charm, Utah's National Parks and The Charm of Coastal Main. Please take time to read the information on the back page of this newsletter. If you want more information, there are brochures at each branch, on our websites or Loreen can mail one to you.
