

JUNE 2026

TOUR OF STEEPLES MAY MYSTERY TOURS

The American Spirit Club experienced two one-day mystery tours on May 12 & 13. We did a Mini Tour of Steeples in Sioux City Iowa. The Tour of Steeples is the brainchild of Michelle Smith, a vivacious life loving young woman of Siouxland. She came up with the idea a couple years ago and it has grown into a yearly tour held on the first weekend of December including over 25 churches in Sioux City. Four churches hosted our group and shared their love for their church and its history. They also talked about their outreaches for the community including the Food Bank of Siouxland and The Warming Shelter. The churches included in our tour were St Mark Lutheran Church, St Luke Evangelical Lutheran Church, 1st Presbyterian Church, and Trinity Lutheran Church, Sioux City.

We enjoyed a delicious lunch at Minervas and you cannot do a tour to Sioux City without a stop at Palmers Candy Store for a sweet treat. It was a wonderful day.

"The Spirit of Us"

June is a season of change, with longer days, warmer weather, and a sense of fresh beginnings. It is the perfect time to get outside, enjoy nature, and make the most of the extra daylight by walking, biking, or tending to your flower gardens.

American Bank & American State Bank will be closed on Friday, June 19, in observance of Juneteenth. This federal holiday commemorates the end of slavery in the United States and marks June 19, 1865, when Union troops finally arrived in Texas and announced that enslaved people were free. Although our banks will be closed, you may still use our ATMs and online banking for your convenience.

Father's Day is Sunday, June 21. It's a time to celebrate and honor fathers and father figures for their love, sacrifices, and commitment to nurturing and guiding their families.

June is National Dairy Month, a time to recognize the dairy industry's many contributions to our health and economy. From farmers and cheese makers to distributors and grocery stores, the dairy supply chain helps meet the ongoing demand for the products so many people enjoy.

A beautiful June brings hope and joy.

EXAMPLES OF FRAUD

SCAMMERS ARE GETTING MORE CREATIVE—BUT KNOWING WHAT TO WATCH FOR CAN MAKE ALL THE DIFFERENCE. HERE ARE SOME OF THE MOST COMMON SCAMS TARGETING SENIORS AND HOW THEY WORK:

IMPOSTER SCAMS

Scammers pretend to be from the bank, Social Security, or another trusted organization. They may claim your account is at risk and ask for personal information or money.

GRANDPARENT SCAMS

Someone calls pretending to be a grandchild in trouble. They ask for money right away and often say, "Don't tell anyone."

ROMANCE SCAMS

Scammers build relationships online, then ask for financial help. They may claim an emergency or travel issue to get money.

MEDICARE & HEALTH SCAMS

Calls or offers about medical benefits or "new cards."
Scammers try to collect personal or insurance information.

DON'T TAKE CHANCES—WE'RE HERE TO HELP.
